
Quality Policy

The Management of **CYM Materiales SA** establishes this Quality Policy as a reference for the management of the objectives and processes related to the Design, Manufacture, Sales and After-Sales Service of Systems for Shot Blasting and Shot Peening.

OBJECTIVES OF THE ORGANIZATION:

- Guarantee the satisfaction of the requirements, needs and expectations of our clients and interested parties.
- Permanently improve designs and processes to provide reliable and competitive products and services
- Encourage teamwork and the participation of all staff to achieve the planned objectives, promoting training, professionalism and the application of the necessary technology.
- Ensure the growth and competitiveness of the company, considering that quality, productivity, safety and environmental protection are essential factors that we must respect and take into account.

COMMITMENT OF THE MANAGEMENT:

- Promote responsible work and the participation of all members of the organization.
- Promote continuous improvement throughout the organization, ensuring the updating, effectiveness and compliance of the Quality Management System.
- Disseminate this policy within the Organization to ensure its understanding and application and to ensure that it is available to relevant stakeholders.
